Applicant: Floyd Evers

Agent: NA

Project Name: Shay Meadow Sewer Connection

Receiving Water: Unnamed drainage, tributary to Baldwin Lake

Project Description: The proposed project involves digging a trench and installing a sewer pipe from main Shay Meadows sewer outfall on Bramble Bush Trail toward Cascade St. to provide sewer connection for two home building sites. A seasonal creek will be crossed to serve sewer to lots on uphill side of Cascade St. Work will be done when creek is dry and the creek will be open approximately two to four hours for one day. The surface of the disturbed area will be returned to the original condition.
